

Zdravo! My name is Kristina Ivančević. I'm 16 years old. I'm writing this letter to let you know you're in our thoughts and prayers. I do not know what you're going through there in Kosovo. I want to understand, however, I can't. I know that things might be hard now. When I'm going through a hard time, I pray because I know God will never turn his back on me. He loves us all. Just remember that he will love you no matter what happens, he is always looking after you. I cannot possibly understand how hard it might be for you. But I think about it often, and try to picture myself in your shoes, but it's hard due to the fact that I haven't gone through what you're going through right now. I've always wanted to go to Serbia (Srbija), however, I have not had the time. I've heard about it and have seen pictures and it seems like a beautiful place. I'm very proud to be Serbian, and you should be as well. Just know that no matter what, God loves you, and even though I haven't met you, I love you because that's what being Orthodox is all about. Hristos Se Rodi!
